

# **Don't play with matches**

**Don't play with matches,  
candles and lighters, too.  
Because they could start a fire,  
it's a crazy thing to do.**

**Don't play with matches,  
candles and lighters, too.  
They are tools for grown-ups,  
not toys for me and you.**

**Don't play with matches,  
candles and lighters, too.  
Give them to an adult,  
that's the safe thing to do.**
