

**Get Out! Stay Out!**  
Fire Safety for Pre-Schoolers

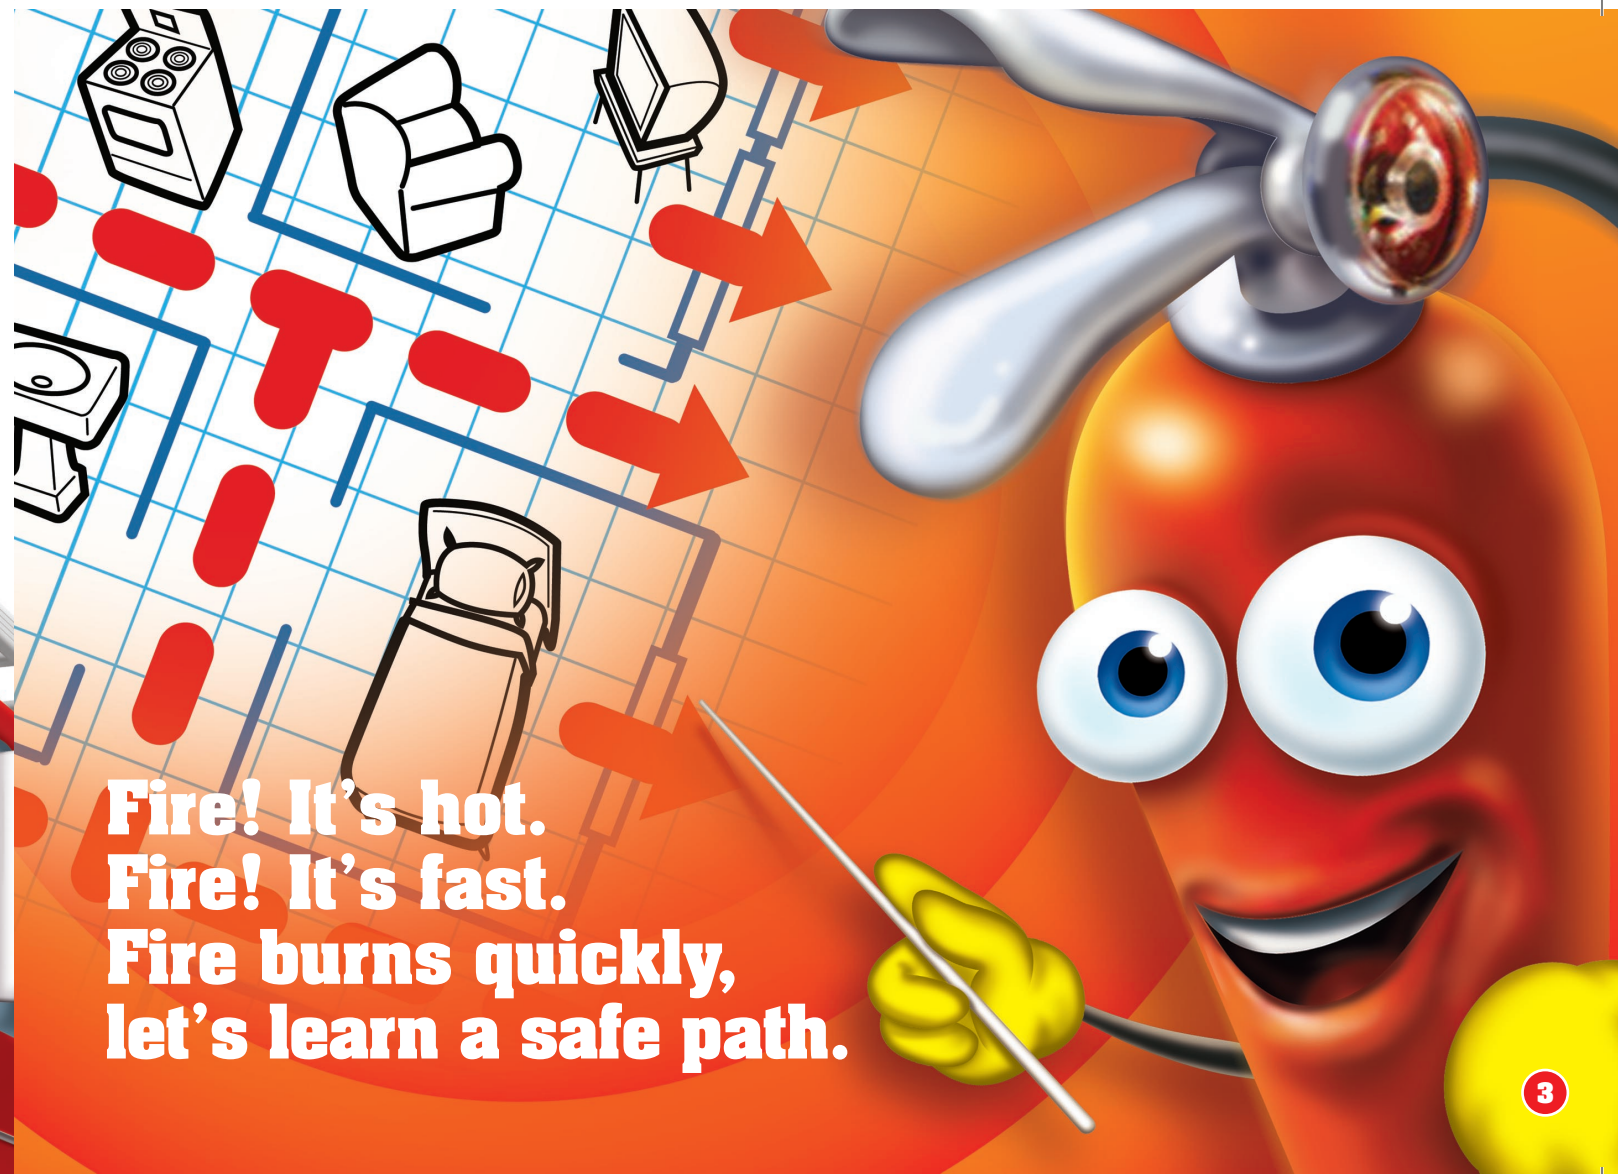

**One, two, three and four.  
Get ready, get set, let's explore.**

2

**Fire! It's hot.  
Fire! It's fast.  
Fire burns quickly,  
let's learn a safe path.**

3

**Smoke starts first, it sneaks about.  
Smoke alarms are smart, they sniff it out.**

**beep  
beep  
beep**

**They sound a loud  
beep, beep, beep.**

**No time to waste,  
where shall we meet?**

**Fire is burning,  
hot, hot, hot!**

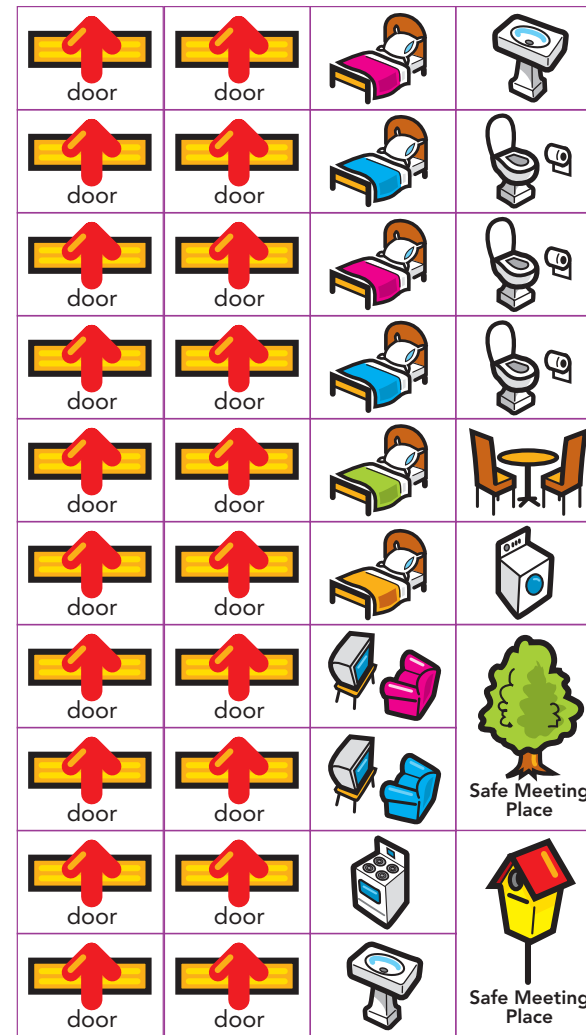

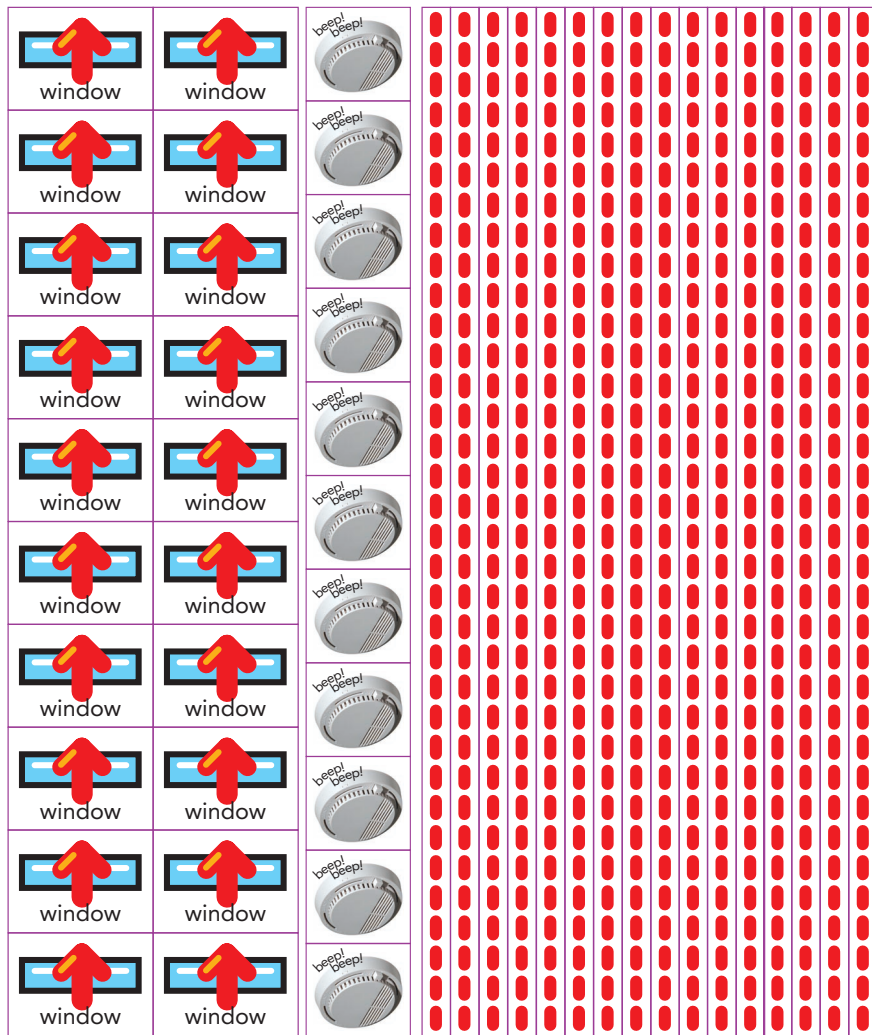

**No time to waste,  
it's off we trot.**

**Our  
Get Out!  
Stay Out!  
Escape  
Plan**

# Our Get Out! Stay Out! Escape Plan

An escape plan is a diagram of your house showing the rooms and two ways out of each room

There is a grid on the reverse page to help you draw a plan of your house, mark the exits and a safe meeting place.

You will need to

Carefully take this page out of the storybook and stick the Escape Plan on the fridge or the toilet door so everyone in the family can see it often.

You might want to

Practise drawing your house on other paper and transfer the finished drawing onto this grid.

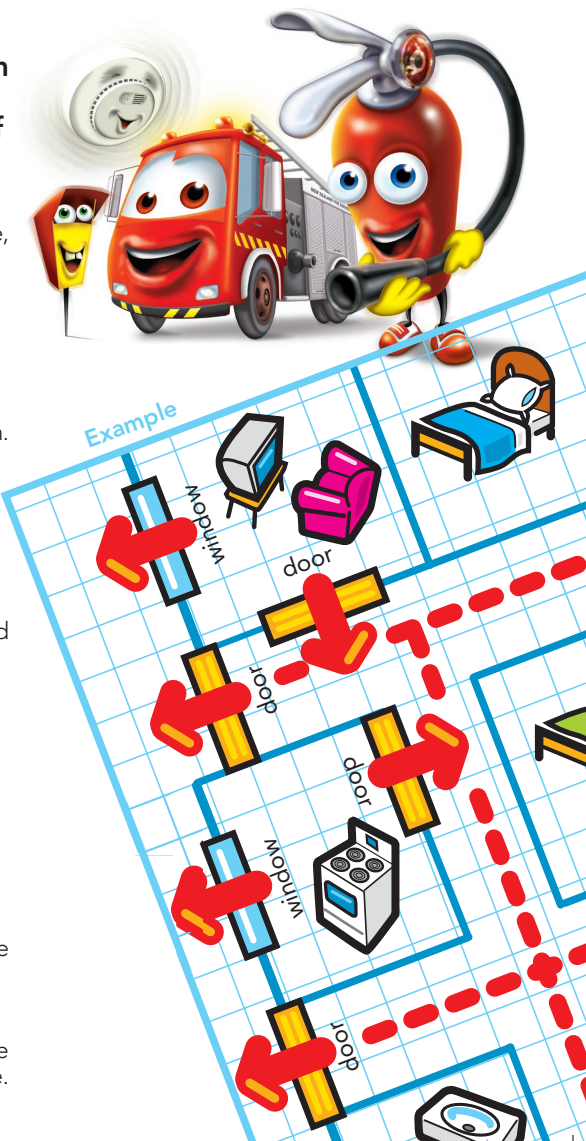

## Using your Escape Plan

All of your family needs to understand the Escape Plan and to practise escaping from each room in the house by the two exits.

Most fires start in kitchens (25%), bedrooms (13%) and lounges and family rooms (16%).

Make sure your family practises escaping from these rooms every three to six months.

Fitting smoke alarms, having a home escape plan and practising escaping from your house in an emergency are the most important things you can do to make sure your family survives a house fire.

## Remember

Work out an escape plan to suit your home and talk about it with everybody in the house

Practise your escape plan at least every three to six months

### Remember, you need to:

1. Have working smoke alarms
2. Know two ways out of every room if possible
3. Make sure that doors and windows needed for escape are clear and easy to open, and that there is a safe way to reach the ground from upper floors
4. Keep keys in deadlocks at all times when home
5. Have an outside meeting place, such as a letterbox or a special tree
6. Make special plans for young children and older people

Remember...  
**Get Out! Stay Out!**

**Get out,  
stay out,  
well done!**

**You've heard beeps,  
you're smart too.  
Fire burns inside,  
what will you do?**

**Tell everyone,  
shout  
fire,  
fire,  
fire.**

**No time to waste,  
flames grow higher.**

**Get out,  
stay out,**

**well done!**

**Help  
arrives,  
you're  
outside.  
It's time  
to meet,  
keep safe  
and  
alive.**

**Lights are flashing, wee-ou, wee-ou.  
Firefighters working, we all see you.**

**Get out,  
stay out,**

**well done!**

**Great work, now let's groove out, little ones.**

# Song...

**Get Out!  
Stay Out!**

**Fire Safety for  
Pre-Schoolers**

Hear the smoke alarm  
Beep beep beep  
Hear the smoke alarm  
Beep beep beep  
Hear the smoke alarm  
Beep beep beep  
Get out! Stay out! Well done!

Fire in the house  
Hot! Hot! Hot!  
Fire in the house  
Hot! Hot! Hot!  
Fire in the house  
Hot! Hot! Hot!  
Get out! Stay out! Well done!

When you know there are flames  
Fire! Fire!  
When you know there are flames  
Fire! Fire!  
When you know there are flames  
Fire! Fire!  
Get out! Stay out! Well done!

See the fire engine  
Safe outside  
See the fire engine  
Safe outside  
See the fire engine  
Safe outside  
Get out! Stay out! Well done!

Hear the smoke alarm  
Beep beep beep  
Fire in the house  
Hot! Hot! Hot!  
When you know there are flames  
Fire! Fire!  
See the fire engine  
Safe outside

Get out! Stay out! Well done!  
Get out! Stay out! Well done!  
Get out! Stay out! Well done!
